Brothers and Sisters,

After waiting for two weeks on a response from the company the parties met on 11-22-21 to discuss the two remaining proposals still on the table, wages and an outstanding company nuclear proposal. At the end of these discussions, the parties were unable to come to an agreement.

In a final attempt to meet some amicable resolution prior to scheduling mediation the Union continued to make movement on the remaining proposals and presented those changes to the company on the following day.

The Union is waiting on a final response from the company on its adjusted proposals. We have reached out to the Federal Mediation & Conciliation Services and are identifying possible dates for mediation in December, if necessary.

The System Committee would like to thank the Membership and the Local Unions for their continued support.

Have a Safe and Happy Thanksgiving!

Fraternally,

Business Manager
