Tentative Agreement Reached

On September 29, 2017, the Company and Union finalized the last remaining open proposal of the 2017 Negotiation session.

The System Committee would like to announce that after 55 days at the table a tentative contract proposal has been reached.

On Saturday October 7, 2017 a Special Called System Council meeting will be held to deliver a full and comprehensive contract proposal explanation to the Officers and Delegates.

Following the Special Called System Council meeting all Locals will hold contract explanation meetings with the Membership prior to the Membership vote.
