

System Council U-4 Negotiation Update

October 18, 2024,

Volume 4 - 2024

Following a scheduled week off from negotiations, then two weeks off due to storm assignments, we are set to resume talks next week.

We will be re-visiting a couple of company proposals for Nuclear before moving into economic proposals

In the coming weeks, each Local will be conducting a vote to address whether the Membership will be terminating the current contract. A recommendation will be sent to your SC U-4 Delegates who will in turn make a recommendation to the membership.

We appreciate your patience and hope everyone is well following the storms. Please continue to work safely and be your brother's and sister's keeper.
